

# APSI - ETHICON ACCREDITED COURSE IN PLASTIC SURGERY

Topics: Ear, Nose and Lip reconstruction, Facial palsy and TMJ problems

Date: 18<sup>th</sup> & 19<sup>th</sup> February 2017

Venue: Sparsh Hospital for Advanced Surgeries, Infantry Road, Bengaluru

We are happy to announce that the Plastic Surgery Department of Sparsh Hospital, Bengaluru is organizing this course on the above topics .

The course, lasting one and a half days, will be held on 18<sup>th</sup> & 19<sup>th</sup> of February 2017. We plan to provide an intensive coverage of topics in the fields of Ear, Nose and Lip reconstruction, Facial palsy and TMJ problems. Emphasis will be on topics pertaining to the MCh and DNB examinations in plastic surgery. It should greatly help the postgraduate students to prepare for their examinations and the young plastic surgeons to refresh and update their knowledge. So there will be some thing of value for everyone – from trainees to the practicing surgeons.
